### **PACE Fundraising - Thank you!**

Our fall fundraising events have wrapped up for this year. Thank you so much to Aanya Lee, Kellie Moore, Chikako Misener and Robin Genova for all of your efforts to organize these events! Thank you to all the families who participated in the fundraising events as well. For those who participated in the Charleston Wrap fundraiser, be on the lookout for more information regarding product delivery dates.

### **PACE Information Night - Thank you!**

The annual PACE Information Night took place last Tuesday, and it was a great success! Thank you so much to those who came to help with set-up and clean-up, to our Enrichment committee leads and volunteers, to our wonderful teachers and Mr. Keeler who gave their time that evening to share their thoughts on our unique program, and a very special thanks to Jen Pierson for the great work she did to organize this event.

### **PACE Halloween Party, October 31st, 2:30-3:30pm**

The annual PACE Halloween party is tomorrow! The party will begin at 2:30pm with a PACE costume parade and will wrap up at 3:30pm so the kids can get cleaned up for dismissal. Thank you to our Social committee and to all our classroom Halloween party planners for their hard work in organizing what promises to be a fun event for our kids! And thank you to all of you who have volunteered to be there tomorrow to run classroom activities and help chaperone kids. For anyone who is still interested in participating, please contact your class Halloween party planners or your Room Reps.

Please remember, per Lockwood policy, that students may not wear their costumes to school or home on the bus. Encourage your children not to use too much make-up or elaborate costume designs, and no spray products are allowed.

### **Mini Units, November 7th & 8th**

Our Lights! Camera! Action! mini unit is a little more than a week away and we still need your help! If you have already signed up for this fun event - THANK YOU! If you haven't had time to sign up yet - now is your chance. We really need "all hands on deck" to make this a successful activity for all of our students. Groups 1 - 4 will be working with iPads on an app called iMovie and it is critical that we have at least 4 parent volunteers per class. Right now, only one class has 4 volunteers for one day. Groups 5-8 will be experiencing a Seattle Children's Theater workshop and we need more volunteers especially on Day 1, November 7th. The other 2 important positions we need filled are photographer and floater (flexible placement, substitute or assist coordinator). In total, we need at least 18 more volunteers. Please use the link below to sign up and there is a class list attached to the broadcast to assist your placement decision. If you have any questions, you are welcome to contact your mini unit coordinators - email addresses are below. Thank you!

### **Joint PTA/PACE Meeting, November 14th**

Please join us for our first joint PTA/PACE meeting of the year on Tuesday, November 14th at 7:00 PM in the Lockwood Cafeteria. During this general membership meeting, we will have the opportunity to hear from Katy Greenleaf, a local mental health professional, who will be speaking on positive parenting through connection - it's an important topic, not to be missed! Attached to this broadcast is a flyer with more information about Katy and her message for the evening.

Below is a SignUp Genius link you can use to reserve childcare spots for your potty-trained children ages 3 and up. Because we are holding childcare in the library for this meeting, we are limited in the number of spaces we can provide, so sign up soon!

If you have signed up to bring items, please drop those off at the school Monday, 10/30, and Tuesday, 10/31. If you haven't had a chance to sign up yet, please check out the SignUp Genius link below and see if you can fill one of the few remaining spots.
